Cornell University Sorority & Fraternity Life
Expansion Policy & Guidelines

In order for a sorority or fraternity to operate as an active organization within the Cornell University community, it must be recognized by the University and it must be affiliated with one of the three independent governing councils: the Interfraternity Council (IFC), the Multicultural Greek Letter Council (MGLC), or the Panhellenic Council (PHC). These three organizations work collaboratively through the Office of Sorority and Fraternity Life (OSFL) which is part of Campus and Community Engagement (CCE) in the Division of Student Campus Life (SCL).

Section 1. Permission
Organizations seeking University Recognition must first receive permission from the OSFL to begin the expansion process before proceeding to the Growth Committee.

   b. Those exceptions are at the discretion of the Executive Director of Campus and Community Engagement.

2. Section 4. Procedures

1. Process

   b. The Growth Committee review and recommendation process may exceed one month from submission deadline depending on the number of applications received and whether the Growth Committee requires supplemental information.
   c. All recommendations of the Growth Committee are subject to the approval of the Director of Sorority and Fraternity Life and the Executive Director of Campus and Community Engagement.
   d. The Growth Committee will determine the number of sororities or fraternities that may begin in a given academic year.

2. Voting
   a. A vote of at least 60% of the membership of the Growth Committee is needed to affirm a recommendation.
      i. If the Growth Committee does not recommend a sorority or fraternity be approved, they will give the sorority or fraternity guidance regarding a timeline to reapply.
      ii. If the Growth Committee recommends a sorority or fraternity’s return to campus, the independent governing council the sorority or fraternity would belong to must also recommend the sorority or fraternity’s return. This is done by a ¾ vote of the respective independent governing council.
      iii. If there is not a regularly scheduled meeting within 15 business days of the Growth Committee’s recommendation, the council vote may be taken electronically.
      iv. The recommendations of both the Growth Committee and the respective independent governing council are forwarded to the Director of OSFL as well as the Executive Director of Campus and Community Engagement, The Director and Executive Director will use reasonable efforts to make a final determination within 15 business days of receiving both the Growth Committee and the independent
governing council recommendations. (but may exceed 15 business days).

   c. Must detail the alumni and Inter/National organization plan for thorough support of the organization, both in the initial expansion phase, and the long-term running of the organization.
   d. It is strongly recommended that the group work with the OSFL staff to design this plan.
   e. It is important to acknowledge that the length of time University Recognition was withdrawn is only the minimum duration for which the organization will not be eligible for recognition.
   f. The conclusion of that disciplinary period is not the date upon which the organization can return or regains recognized status.

2. Probationary/Provisional Recognition
   a. If the terms of a university disciplinary action withdrawing recognition for a minimum specified period provides that the organization may return only upon Probationary Recognition that organization may follow the procedures for Provisional Recognition set forth herein but may only be granted Probationary Recognition according to the terms of the prior university disciplinary decision.
   b. Probationary Recognition may include specific sanctions or limitations as may be deemed appropriate by the Director of Sorority and Fraternity Life and the Executive Director of Campus and Community Engagement.

Section 6. Panhellenic Exception
The NPC preferred expansion process will be followed as described in the most recent Manual of Information, however, the Director and Executive Director have ultimate decision-making authority.

Section 7. Recruitment.
Organizations obtaining recommendations to proceed with expansion from the Growth Committee and council, and final approval from the Director of Sorority and Fraternity Life and the Executive Director of Campus and Community Engagement, will be granted the opportunity to proceed with a referral based recruitment effort to identify student interest. This does include participation in any approved formal or informal recruitment periods of the independent governing council. If the recruitment effort is successful in
recruiting the agreed upon initial class of members, Provisional (or Probationary) Recognition will be granted upon confirming undergraduate officers/representative members and being granted associate membership with one of the independent governing councils (IFC/MGLC/PHC). Each have individual guidelines for membership and should therefore be consulted directly.

Section 8. Provisional Status

1. Notification and Deadlines
   a. Sororities and fraternities seeking to establish an active organization must first notify the OSFL of their intent to return.
   b. If OSFL grants the organization permission to begin the expansion process, OSFL will then communicate the deadline(s) of the Growth Committee to the organization.
   c. The sorority or fraternity must apply to the Growth Committee by the established deadline for the semester.
   d. If the deadline for the current semester has passed, the sorority or fraternity must wait until the next deadline.

   g. During the expansion period, the organization will actively participate in community-wide and University activities such as attend council meetings and educational programs, and pay council dues.
      i. The council typically waives council dues the first semester, subject to council approval.
   h. At the end of the specified period, the chapter must apply for Full Recognition or may request to remain at Provisional Status for a period not to exceed four years.
      i. If applying for Full Recognition, the chapter must acknowledge that they intend to comply with the Criteria for Full Recognition at the end of the provisional period.
